Maria Sydney

Wisdom from ngā atua Māori

Monday 17 October, 6:00-7:30pm

As kaiako strengthening our connections to ngā atua Māori helps us to build our understanding of mana atuatanga/wellbeing. Reconnecting back to these stories and wisdom is pertinent to understanding the concept of mana, that every person is born with. Join me in a waananga centred on exploring some of the narratives and pūrakau of ngā atua Māori. Learn ways to deepen your relationship with this mātauranga as we consider ways of incorporating this knowledge into our everyday practice.

An introduction waananga on Pepehā

Monday 31 October, 6:00-7:30pm

Pepehā: An introduction of oneself that establishes identity, culture and heritage.

But for those who aren't sure of which maunga, awa and moana to acknowledge - it can be tough creating and collating a pepehā. Join Maria in this waananga that will provide some useful tools for those wanting to build upon and/ or create their very own, unique pepehā in a fun, inclusive and supportive space of ako. Nau mai - all welcome!
