

STRENGTHENING TE AO MĀORI IN YOUR PLACE

TE PAPAIOEA PALMERSTON NORTH

Strengthening the weave of te ao Māori in assessment practice (and beyond)

Thursday 23 November, 6:00pm-8:00pm |\$60pp
The Copthorne Hotel, Palmerston North
Presented by Maria Sydney

Explore ways we, as kaiako, can strengthen the weave of te ao Māori in narrative assessment. We will draw from the ancestral wisdom of pūrakau Māori and share stories that inspire, affirm and celebrate te mana o te tamaiti. Connections will be made between Learning Stories and how we effectively weave the richness of identity, language and culture into our narrative assessments and beyond.

Feedback from Maria's recent wānanga:

- *"In all the 20 years I have been teaching, that would have to be the best workshop I have ever been to."*
- *"That was the most inclusive waananga we have ever been too - thank you Maria for providing such a safe and inclusive space!"*
- *"Many of the kaiako have mentioned to me that it was the best outside PD we have had. High praise from ones that have been with me many years. They found it engaging, insightful and an enjoyable way to spend time together."*
